6 1/2"	481.00	6.12llcb
7"	499.00	7.0llcb
8"	550.00	8.0llcb
9"	634.00	9.0llcb
10"	707.00	10.0llcb
12"	934.00	12.0llcb
14"	1095.00	14.0llcb
16"	1636.00	16.0llcb

Longer Life because higher diamond concentration and different bond combined make this core bit hard to beat for amount of holes cored. Professional contractors love this bit. It becomes the lowest priced one to buy. Pointed segment helps start the hole. **With no backer pads you will get more holes than those who use .100 backer pads.** Why do they use backer pads? Trying to make more money selling a less quality product.
