14" x 197 x 125 x 1	210.00	cddpp1421
16" x 197 x 125 x 1	270.00	cddpp1621

Blade is like the above blade but it has no abrasive particles. This is used by contractors that want a blade to cut bundles of rebar or steel. They are not cutting ductile pipe. Why pay for something if your not using it in that manner. We are about saving you money.
